

Members in Transition Program

Due to the recent market challenges facing the home building industry, many of our member companies have been forced to downsize and re-organize. Because the prosperity of our industry is cyclical, it is critical to retain our talented pool of building industry professionals that have recently been separated from employment.

BIA/OC strongly encourages all former employees of member companies to take advantage of the Members in Transition Program which includes the following benefits:

- ❖ Free networking opportunities before Monthly Dinner Meetings
- ❖ Special attendance rate of just \$20 for BIA/OC Monthly Membership Dinner Meetings
- ❖ Discounted rates for additional meetings & workshops are available. Contact Events Manager, Philly Pemberton to get the MIT rate for all upcoming events you would like to attend. Philly can be reached at 949-553-9500 ext. 113 or ppemberton@biaoc.com
- ❖ Free resume referral service
- ❖ To be enrolled in the Members in Transition program please contact Kevin Ward at the BIA/OC office: 949/553-9500 or email your resume and contact information to kward@biaoc.com

All MIT Program must be former employees of BIA member companies.
